

Dear

In October of 2009 our good friend Matt Gulino died suddenly after being ill for only 3 weeks. He was diagnosed with TTP (Thrombotic Thrombocytopenic Purpura), a rare blood disorder on the last day of his life. If this disease had been caught in time, Matt would still be with us today. On behalf of the friends and family of Matt Gulino, I am reaching out to you for help with a benefit we will be having for the Gulino Family.

The benefit will be held on Saturday, September 11, 2010 at Bourbon Street in Merrionette Park. We write to you in hopes that you would be able to help us with a Silent Auction Donation, Tee Shirt Sponsorship or Gift Basket items.

Your donation will greatly enhance our benefit and give you added publicity as well. In this time of financial hardship for many families – we certainly appreciate anything that you would be able to do to help the Gulino Family.

We also extend an invitation to you and your family to join us on September 11th at Bourbon Street 3359 West 115th Street, Merrionette Park. Please visit our website www.GulinoFamilyBenefit.com for more information.

Thank you for your time and consideration.

Sincerely,

Tim Pender - Chairperson
Anne Keane Rumchaks - Secretary

All in the name of Matty G
